PROFESSIONAL SUMMARY

Full-Stack Web Developer and Computer Science graduate skilled in building responsive, scalable web applications using React, Next.js, Node.js, and modern databases. Strong foundation in JavaScript, RESTful APIs, and frontend engineering, dedicated to developing clean user interfaces and efficient backend solutions.

FEATURED PROJECTS

Velora Store [velora-store-nine.vercel.app](#)

Technologies: Next.js, React, Tailwind CSS, Vercel

- Engineered a dynamic full-stack e-commerce web application featuring modern UI components, intuitive product browsing, and interactive cart functionality.
- Implemented responsive layout design principles to deliver smooth performance and consistent user experience across mobile and desktop devices.

Mira Café & Restaurant [mira-cafe-restaurant.vercel.app](#)

Technologies: Next.js, React, Tailwind CSS, Vercel

- Developed a modern restaurant web application displaying interactive menus, promotional branding, and optimized digital content.
- Designed accessible, mobile-first page layouts ensuring fast loading speeds and effortless user navigation.

Nexora Admin Dashboard [nexora-admin-omega.vercel.app](#)

Technologies: Next.js, React, Tailwind CSS, Vercel

- Architected an administrative management dashboard to streamline data tracking, system metrics, and administrative workflow controls.
- Connected structured API endpoints and managed application state for real-time data handling and reliable system oversight.

Weather Application [weather-app-topaz-beta-88.vercel.app](#)

Technologies: HTML, CSS, JavaScript, REST API

- Built a real-time weather forecasting application that fetches live weather metrics based on user location searches.
- Integrated dynamic REST API handling and error checking to present clear, reliable meteorological data.

TECHNICAL SKILLS

Frontend

HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, Responsive Design

Backend

Node.js, Express.js, REST APIs

Databases

MongoDB, MySQL

Tools & Platforms

Git, GitHub, Vercel, VS Code

EDUCATION

Bachelor of Computer Science

Salaam University

Graduated: 2026

SOFT SKILLS

- Problem Solving
- Teamwork & Collaboration
- Effective Communication
- Time Management
- Adaptability & Quick Learner

LANGUAGES

- Somali — Native
- English — Professional Working Proficiency
